

Mass upload:

The screenshot shows the "Mass Upload" page in the Capgemini Emergency Management system. The page includes a search bar and navigation links for Home, Mass Upload, Reports, Employees, Manual, and Logout. The main content area is titled "Upload Instructions" and provides the following information:

- Upload Instructions:** Please make sure you read the following Instructions carefully before uploading:
  - The files to be uploaded can be in .zip or .csv file format.
  - Please fill in the details as per the [Template](#)

Below the instructions, there is a section for uploading files. It features a "Files\*" input field, a "Select file" button, a "WFH Date:" input field with a date picker (dd-mm-yyyy), and an "Upload" button. The page also includes a footer with copyright information and a "Legacy Revitalization" link.
